

## Recycle and dispose with confidence!

### Introducing a unique and innovative way to solve your IT disposal issues

This **convenient** and **easy-to-use** service offers a secure and **fully compliant** way to dispose of any **unwanted IT equipment**. The **GreenIT Box** will help ensure you meet your legal IT disposal requirements, at a much **lower cost-per-item** than the nearest comparable service.

### What is the **GreenIT Box** ?

- Quite simply a **box on a pallet**, delivered to your required location(s). Place in your IT department, branch offices and any other suitable location, for employees to fill with their old IT equipment
- An **all-inclusive service** with no hidden extras – one single price includes delivery, collection and recycling charges
- The most **cost effective** way for you to dispose of your redundant IT equipment
- A fully **compliant and certified** recycling service managed via our trusted-partners dedicated IT disposal centre
